

Call to Join

13. *Online* Input-Output Workshop

Date

March 22nd – 24th, 2021

Online Participation

- Daily afternoon
- Per lecture 40 minutes of which max 20 minutes presentation
- Each session has a session chair
- Number of participants is limited

The aim of the workshop is to bring together scientists and practitioners in the field of input-output research and to provide a platform for sharing experiences and research methods in the area of input-output analysis.

Topics to be discussed during the workshop could encompass the production of (inter)national and regional input-output tables, the development of input-output models or applications of input-output analysis to specific fields of interest.

Participation

This year's workshop takes place *online*.

Please hand in your abstract (max ½ page in pdf format) until **January 31th, 2021** to moennig@gws-os.com.

Participants without presentation are welcome. You can register for the workshop after the program has been announced. It will be possible to register for single sessions only. For technical reasons, the number of participants is limited.

Please consider the registration as binding.

Important dates

- Submission of abstract until **January 31st, 2021**
- Confirmation of participation
- Workshop programme **February 19th, 2021**

Conference language is German and English.
